

## BALI GOLF ADVENTURE

The perfect holiday for active relaxers

16 - 23 May 2025

The magical Indonesian island of Bali is known for its tropical beaches, colourful coral reefs, volcanic mountains, and luxurious golf courses. Known as the Island of the Gods, Bali is home to thousands of Hindu temples rooted amongst the coastlines and rice paddy fields. The fragrant bunches of Plumeria bloom all over the island and the smell of incense fills the air.

With its western approach to golf and eastern philosophy of its people, Bali is more than just a paradisiac setting – but a tropical state of mind. Golf courses customarily wind through rice paddy fields, past temples of worship, and across ocean coves. Nothing compares to being there in person and experiencing firsthand what golf in Bali offers. Whether you are a beginner, a pro or just a casual weekend golfer looking for a relaxing Bali golf holiday, this holiday will tick all the boxes for you.

For non-golfers you can relax around the pool, on the beach, shop till you drop, and there is plenty of optional days tours to enjoy whilst your partner is golfing!
